

# MISSION FRONTIERS

*"Every nation needs at least one place where many missions can work together."*

**Is this the beginning of the end  
OR  
The end of the beginning?**

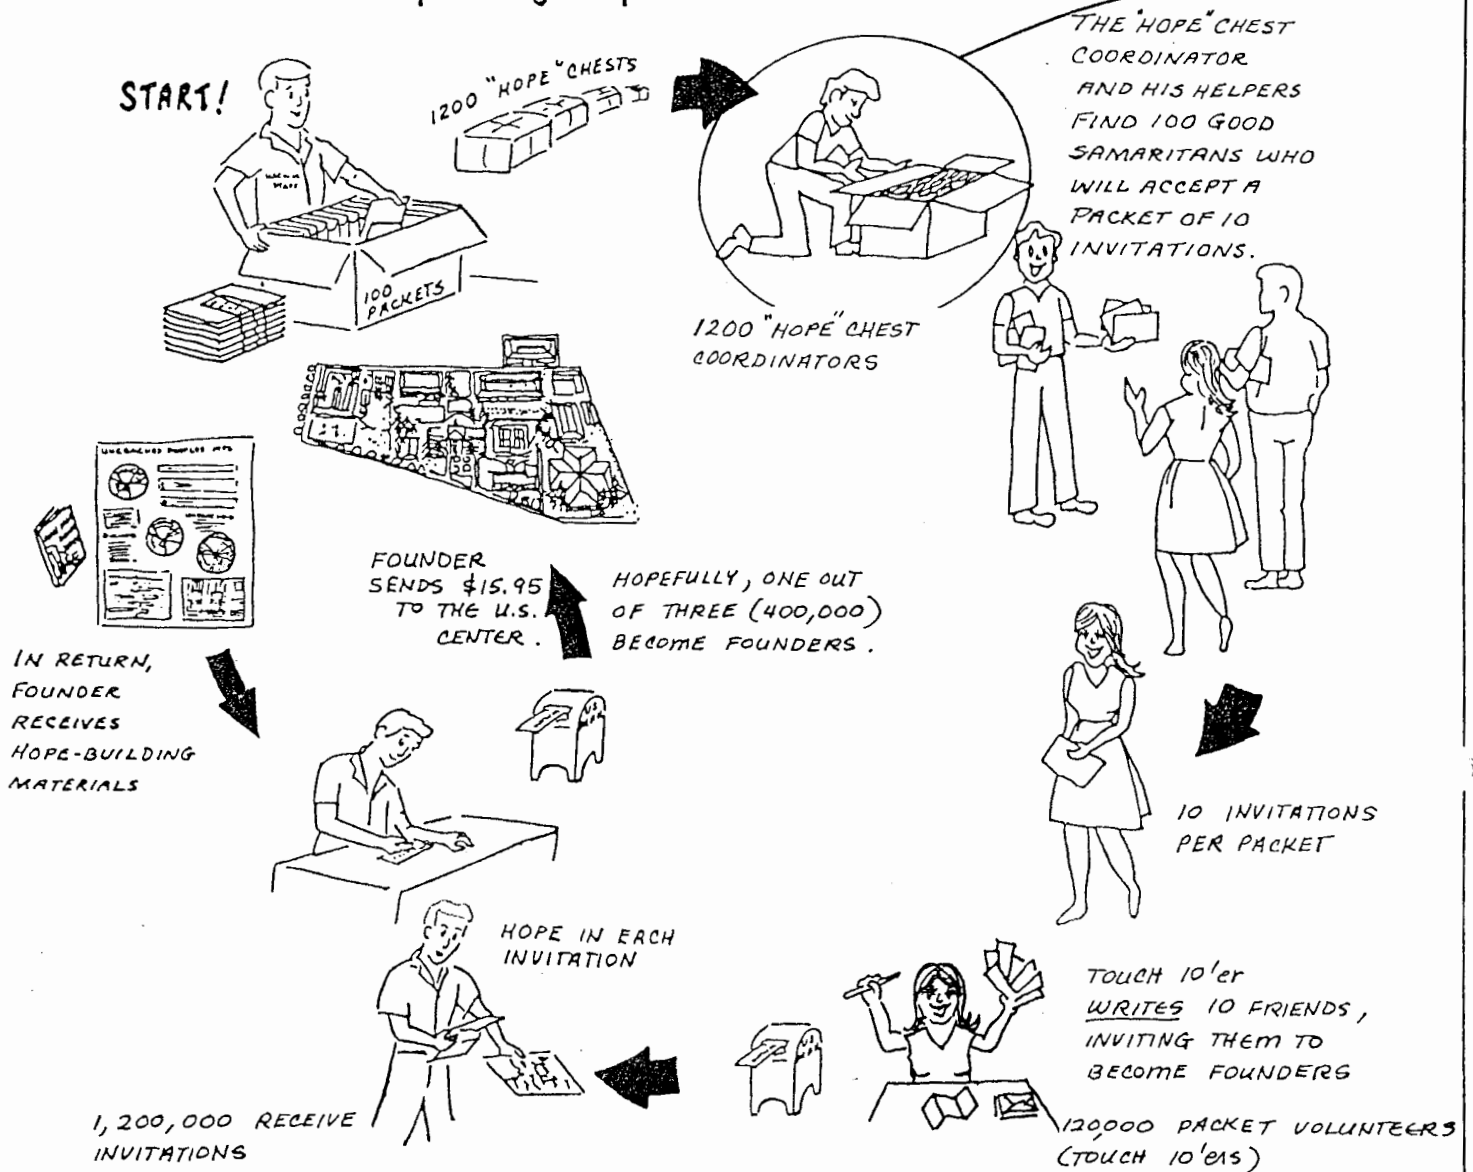

**Just 1200 Keen People  
CAN Make The Difference**

Dear faithful friend,

It is hard for me (and other long-term staff here) to realize that we are now so close to so monumental a deadline. You find it hard to believe that so simple a plan

(Cont. on p. 4)

# "I'll Touch 10" Campaign Spreading Hope for the Frontiers!

OUR DUAL GOAL IS:

- TO SAVE THE WORLD'S LARGEST MISSION CENTER!
- TO TAKE HOPE AND NEW VISION TO OVER 1,200,000 PEOPLE!

(That's 1200 "Hope" Chests x 100 "I'll Touch 10" packets x 10 invitations = 1,200,000!)

WE'RE NOT ASKING YOU OR YOUR CHURCH TO DIG DOWN BUT TO REACH OUT!

## COULD THIS PERSON BE YOU?

WE DESPERATELY NEED 1200 "HOPE" CHEST\* COORDINATORS. WE NEED TO KNOW WHO THEY ARE BY FRIDAY, AUGUST 5, IN TIME TO SHIP OUT THEIR "HOPE" CHESTS.

WHAT DOES A "HOPE" CHEST COORDINATOR DO?

By August 10th,

1. Finds 100 Good Samaritans who would be willing to put in 45 minutes in the prayerful attempt to reach out and "touch ten" other lives that no one else could reach. Gets friends from church to help find them.
2. Passes out 100 pre-numbered "I'll Touch 10" packets\*\* from the "Hope" Chest. The work each of these packets involves can be done in a single work party, a small group, or by individuals at home.

Note: The work of mailing out invitations must be done by August 15th or at the latest, by August 20th. Responses to these 1,000 invitations per "Hope" Chest will come to us in Pasadena. All responses bearing a given "Hope Chest number will be mailed immediately to the "Hope" Chest Coordinator.

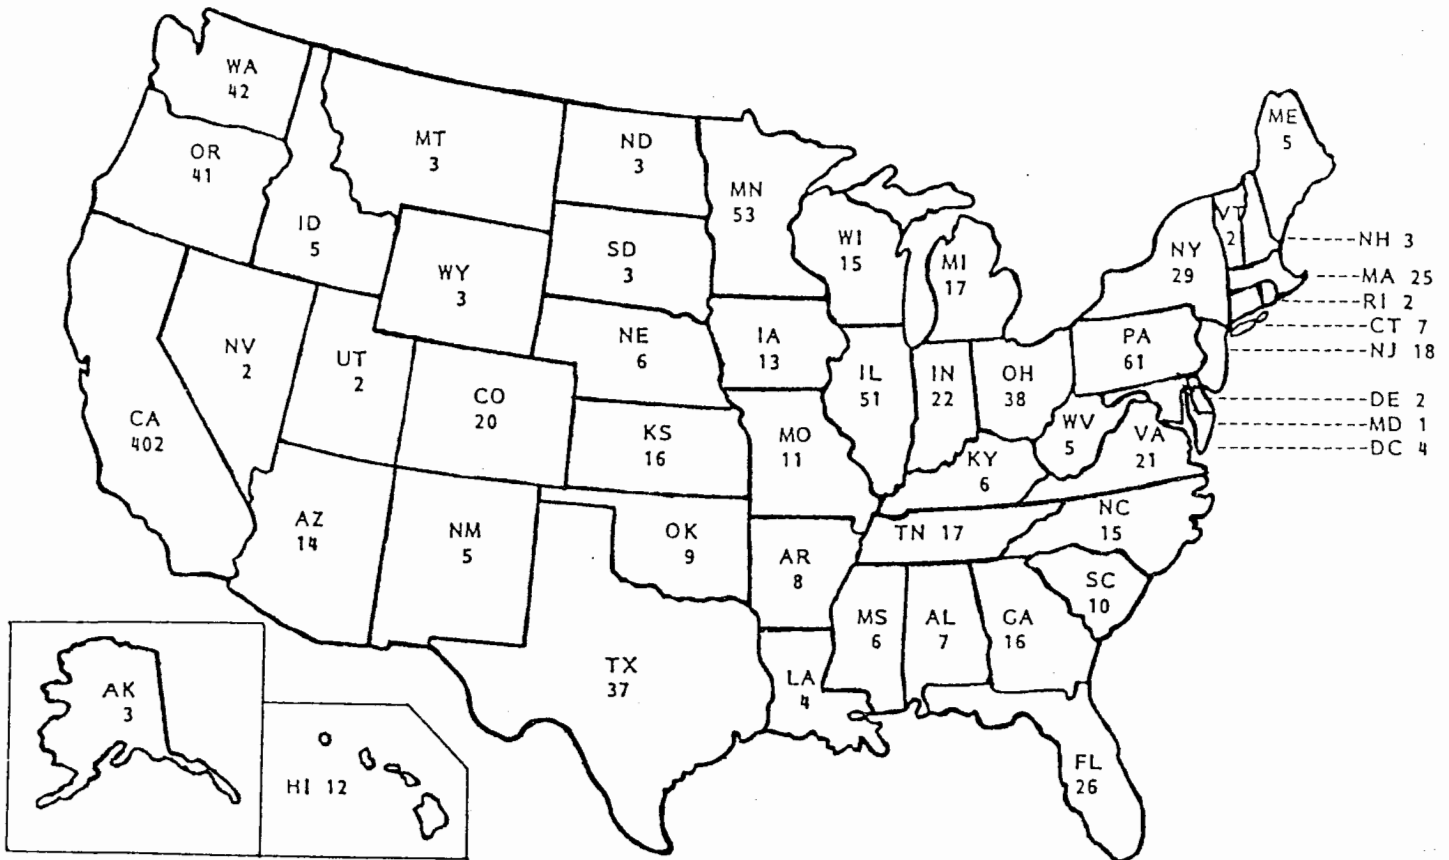

3. Coordinator will pass on the news of response as it comes in from us.

\* WHAT'S A "HOPE" CHEST? 100 "I'll Touch 10" packets.

\*\* WHAT'S IN A PACKET? 10 invitations, 10 envelopes, and an instruction sheet.

THE MOST ESSENTIAL INGREDIENT OF THIS CAMPAIGN IS PRAYER THAT 1,200,000 WILL RECEIVE NEW HOPE AND VISION.

Number of "Hope" Chests we need to get out to your state.

For every "Hope" Chest, we need one "Hope" Chest coordinator!

(Cont. from Page One)

could possibly work. I don't blame you.

We are simply asking for church people who have followed and prayed for us all these years to do one final work project for us--mail founders' invitations out to people outside their congregation, people who might never otherwise have a chance to believe in HOPE along with us.

Our part (the human part) is to find 1,200 churches or resourceful individuals who will in turn find 100 Good Samaritans who will be willing to sit down and spend 30-45 minutes prayerfully sending out ten invitations. (Note that  $1,200 \times 100 \times 10 = 1.2$  million people getting invitations with personal notes!)

I think I can believe that. But this plan is built on the crucial assumption that one out of three (of the 1.2 million getting invitations) will respond.

A spiritual miracle is clearly necessary for this. If only each person giving out or mailing out these invitations (see sample enclosed) can effectively wrestle with the Spiritual task of

reviving belief, vision, hope in ten carefully chosen friends and contacts!

Please realize that reaching over a million people with the enclosed invitation is a very wonderful goal, even apart from what funds may or may not come to the USCWM.

We feel we must seek first the spreading of hope and vision and that all these small gifts will then be added to us.

Let me summarize:

1. Each "Hope" Chest has 100 Packets.
2. Each "I'll Touch Ten" Packet contains 10 invitations.

By the moment you receive this we will have 1,200 of these "Hope" Chests ready to ship. Please call in and talk to one of us about this. During the day (Calif. time) call 213-794-0527 collect. If busy, call 213-797-1111, ask for Greg, Carol or Todd. After hours call 213-356-9798 (Greg) or 213-793-1899 (Carol).

*Cordially, Ralph D. Winter*
